

GOD'SWILL GABRIEL

Nigerian Pidgin, Nigerian English & Hausa Translator | LLM Annotator & AI Data Trainer

godswillgabrielfrankson@gmail.com | linkedin.com/in/godswill-frankson-gabriel

Nigeria (Remote)

PROFESSIONAL SUMMARY

Remote translator and AI language specialist, native speaker of Nigerian Pidgin and Hausa, fluent in Nigerian English, with written proficiency in American and British English. 100+ client-approved translations since 2020, plus hands-on LLM annotation, voice training, translation review, linguistic quality evaluation (LQE), and machine translation post-editing (MTPE) for Nigerian and international companies. 99% accuracy and a consistently high acceptance rate on AI training tasks.

EXPERIENCE

LLM Annotator / AI Data Trainer (Nigerian English), Pila8

Sep 2026 – Present

- Completed 50+ recorded conversation tasks and read 100+ scripts at 99% accuracy
- Maintained a consistently high acceptance rate, with work approved by reviewers
- Worked in the Pila8 app, following project guidelines for consistent, high-quality data
- Delivered natural phrasing, tone, and Nigerian English usage in recorded conversations and scripts

Freelance Translator & Localization Specialist (Hausa, Nigerian Pidgin)

2020 – Present

- Delivered 100+ client-approved translations for organizations and private individuals
- Reviewed scripts and proofread translations for accuracy, tone, and consistency
- Localized content so it sounds natural to Nigerian audiences
- Hausa translation for Global Listings, Verbalos, and GoTranscript
- Subtitling and translation using Smartcat and other CAT tools

Freelance English Content Evaluator (American & British English, written)

Jun – Sep 2026

- Evaluated scripts and written content in standard American and British English
- Checked grammar, tone, clarity, and consistency against client guidelines

AI Language Trainer (Hausa), Spout

Aug – Sep 2026

- Recorded Hausa conversations through Spout's web platform to train AI speech and language models
- Checked intonation and natural delivery against quality standards

Volunteer Hausa Transcriber, TED Translators

Apr 2026

- Transcribed talk audio in Hausa as a volunteer for the TED Translators program
- Followed the program's transcription guidelines for accuracy and clarity

AI Language Trainer (Nigerian Pidgin), Data Science Nigeria (DSN)

Jun – Dec 2025

- Read scripts aloud in Nigerian Pidgin to provide AI training voice data
- Kept recordings clear, natural, and guideline-compliant

AI Voice Trainer & Pidgin Translator, FutureBeeAI and Yugo AI

Jun – Aug 2025

- Recorded 3 hours of Nigerian Pidgin audio in short scripts, completed across multiple sessions
- Translated and validated Pidgin content for AI models
